1. Why do you want to participate in the Mosaic Mural Workshop? (2-5 sentences)

2. How will you apply the skills you gain from the workshop in your classroom? (2-5 sentences)

3. What do you feel your students will gain from your Mosaic Methods Workshop experience? (2-5 sentences)

4. We find that the most successful mosaic projects are achieved when students are able to experience the Magic Gardens first-hand for inspiration. Will your students be able to visit PMG?

5. Do you have any formal training in the fine arts or in mosaic? If so, what is your level of experience? (Those without previous experience will not be excluded.)

6. How many students do you think will be impacted by your participation in this workshop?

7. Have you applied for a Mosaic Mural Workshop Teacher's Scholarship before? If yes, when?

Please email application materials to khealy@phillymagicgardens.org or mail to Kay Healy, Education and Outreach Manager, Philadelphia's Magic Gardens, 1020 South Street, Philadelphia PA 19147.

Applicants will be notified when their application materials have been received. The scholarships will be awarded approximately one month after the application deadline and all applicants will be notified shortly afterwards. Recipients of the scholarship are required to complete a reflection on how they will incorporate the skills learned from the workshop in the classroom within six months of completing the program. For questions please email khealy@phillymagicgardens.org. No phone inquiries please.
