Folding Instructions

1. First trim any extra borders. Then, fold paper in half long ways (hot dog).

2. Fold paper in half the other way (hamburger).

3. Fold each side up to meet the center fold. This makes eight panels.

4. Keeping the paper folded, make one cut halfway in from the folded edge.

5. Refold the paper long ways. Then, push the wings in toward the center to make a star shape.

6. "What's Your Story" folds around the inside pages to become the front cover.

7. Crease all the folds, and you are done!
