### Materials needed:

- Shaving cream
- Liquid food coloring
- Watercolor paper or cardstock
- Ruler
- A skewer, stick, or pencil
- Tray or baking dish
- Lots of paper towels

### Instructions:

1. Spray a thin layer of shaving cream onto the tray
2. Use your ruler to spread the shaving cream like frosting across a cake
3. Sprinkle a few drops of several different colors of food coloring onto the shaving cream
4. Using the stick to swirl, blend, and spread the colors
5. Press the paper into the shaving cream
6. Peel the paper up and, using the ruler, scrape all of the shaving cream off the paper so that the paper does not grow soggy
7. You have a beautiful piece of marbled paper to use for drawing, painting, or writing cards – or just hang it up as it is!
