CALL TO VIEW *IN BETWEEN AND ALL AT ONCE: WORKS BY CHLOE LUISA PIÑERO*
View a provocative display of mixed media works in PMG's galleries!

WHAT:

In Between and All at Once showcases the multimedia collages of Chloe Luisa Piñero. In these works, Piñero combines traditional figurative painting with sourced materials from thrift shops, social media, magazines, and dollar stores to construct fantasy worlds. Her figures exist in environments that explore themes of queerness, desire, and sexuality. By deconstructing and reassembling elements to create her own characters, Piñero explores how adornment, body standards, and attraction impact the expectations of femme-presenting people. This exhibition depicts the nuances between reality and fantasy through the worlds that Piñero creates.

Piñero will also be hosting a Tour & Talk of her exhibition on Tuesday, December 13. Join her to get an in-depth look at her work and learn more about her methods and inspirations.

ABOUT PHILADELPHIA'S MAGIC GARDENS

Philadelphia's Magic Gardens (PMG) is an immersive mixed media art environment that is completely covered with mosaics. The creator, Isaiah Zagar, used handmade tiles, bottles, bicycle wheels, mirror, and international folk art to chronicle his life and influences. The exploratory space is made up of two indoor galleries and a bi-level outdoor sculpture garden. As a nonprofit museum, PMG celebrates art in its many forms through community outreach, public programs, hands-on activities, exhibitions, and tours. We welcome everyone to explore the space and embrace the possibility of self-expression.
